| | |
|---|--|
|  | Warning <i>During rubbish removal care is to be taken to avoid injury from syringes, broken glass and sharp objects.</i> |
|---|--|

| | |
|----------------|--|
| General | The first step in the cleaning process is to remove all rubbish so that detailing can occur. |
|----------------|--|

| | |
|---|---|
|  | Warning <i>Each worker is to place a red flag before starting work and remove it when they finish.</i> <i>Refer to SMS-06-SW-0489 Using Red Flags to Warn Drivers About Train Maintenance.</i> |
|---|---|

| | |
|--------------------|---|
| Preparation | <ul style="list-style-type: none"> Collect cleaning equipment from store. Proceed to train. Place your red flag in the driver's compartment. |
|--------------------|---|

| | |
|---|--|
|  | Warning <i>Look out for trains moving into and around the work area.</i> |
|---|--|

| | |
|-------------------------|---|
| Removing rubbish | <ul style="list-style-type: none"> Walk through each carriage picking up all rubbish and putting it into a garbage bag: <ul style="list-style-type: none"> use tongs, a dustpan and broom or heavy gloves to pick up rubbish watch out for sharp objects (especially needles and syringes) using tongs, put any needles and syringes into a sharps container use a duster to remove rubbish located between seat and wall squat, kneel or sit (where possible) rather than bending and twisting your lower back sweep broken glass into dustpan and dispose of it separately – do not place in garbage bag. Be sure that you check for rubbish in the following places: <ul style="list-style-type: none"> under seats between wall and seat in joints between seats in corners in door runners in wet sills at car ends in transit areas between cars. Empty rubbish containers from toilets and vestibules. |
|-------------------------|---|

| | |
|-----------------|--|
| Clean up | <ul style="list-style-type: none"> Remove your red flag from the driver's compartment. Put all collected rubbish into an industrial waste container. Return equipment to store. |
|-----------------|--|

Warning

- Some items of rubbish are very unhygienic and may be dangerous. Make sure that you use the appropriate PPE or tools to remove them.
- Do **not** put your hands in places you cannot see.
- Do **not** carry more garbage bags than you can manage.
- Do **not** lift a heavy garbage bag above head height.
- Do **not** overfill garbage bags – they may break.
